

Acknowledging our Donors

To be the best possible stewards of our supporters' generous donations and to conserve resources, the 2010 Donor List will appear online.

We sincerely thank all of our donors who contributed so much to City of Hope in 2010 and who remain committed to helping us prevent and cure cancer, diabetes, HIV/AIDS and other life-threatening diseases. Their support makes possible the life-changing work that takes place every day at City of Hope.

To view the 2010 Donor List please visit our website at www.cityofhope.org/annualreport.
